

Portland Branch General Membership Meeting

Wednesday December 6 @ 5:30 pm

East Meriwether Tower • 3570 SW River Parkway , Suite 1804

Greenbuild Slam 2006!

It got crazy in Atlanta last year....

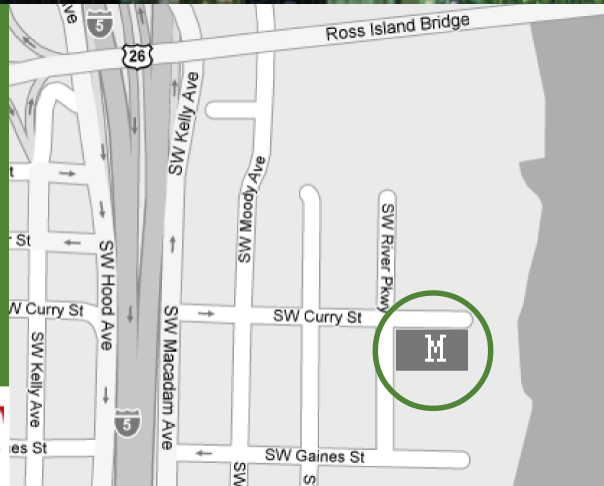

What happened in Denver this year?

The Portland Branch – Cascadia GBC invites you to attend an interactive evening discussing the best and worst of Greenbuild 2006. Come talk about the most unusual or innovative building products, most inspiring projects and interesting technologies, and the future of greenbuilding as we move towards a more sustainable footprint. Share your experiences with those who did not attend or come learn what you missed in a rapid-fire, high-energy SLAM.

A few noteworthy items announced at Greenbuild:

1 - Buildings that achieve Platinum will receive a full refund of all certification fees! 2 - Buildings that achieve NC & CS get free and automatic registration for EB. 3 - The winner of the Living Building Challenge will be announced at Greenbuild 07 in LA! <http://www.cascadiagbc.org/resources/living-buildings/living-building-challenge>

Space is limited, so please RSVP by December 5th at the following link:

CASCADIA

The Cascadia Region Green Building Council promotes the design, construction, and operation of buildings that are environmentally responsible, profitable, and healthy places to live and work in Oregon, Washington, and British Columbia.

PORTLAND BRANCH

Portland is one of five branches currently established in the Cascadia Region. We are forming partnerships, creating education opportunities, and providing a network of building professionals in the Northwest. For further information and how you can get involved, please visit our website at www.Cascadiagbc.org or contact Chris Forney and Tim Richard at Portland@cascadiagbc.org.
