

The TRANSFORMATIONAL LECTURE SERIES aims to inspire all building industry professionals to embrace their role in creating a sustainable built environment now, as well as ensuring that sustainability becomes integral to all development in the future.

By reminding us why we must act boldly and helping us to imagine a world where sustainability is the baseline, these lectures promise to inspire a revolution!

INSPIRE. MOTIVATE. TRANSFORM.

BELLINGHAM, WA | 03.05.09

SPOKANE, WA | 04.23.09

TACOMA, WA | 10.22.09

TRANSFORMATIONAL LECTURE SERIES

CLIMATE RESPONSIVE DESIGN

Reflections on Place-Based Buildings and Communities

Clark Brockman, Director of SERA Architects' Sustainability Resource Team

Clark Brockman is a principal at SERA Architects, the Chair of the Cascadia Region Green Building Council Board of Directors and serves on The Oregon Natural Step's Advisory Board. He has served in a green building advisory capacity to Portland's Office of Sustainable Development and Sustainable Development Commission, City Commissioner Dan Saltzman, the Portland Development Commission, Multnomah County, Clackamas County, the Oregon Business Council, the Governor of Oregon, and Oregon Congressman David Wu's office. He is also a frequent lecturer and panel participant on sustainable design, green building policy change, and the impact of the built environment on climate change.
