

# BUILD IT LEED®

## FOR CONTRACTORS

Learn the complete step-by-step process for managing the construction of LEED projects from preconstruction to documentation. Designed for construction managers, general contractors, subcontractors, construction companies, and builders, this training will get you and your company ready to implement LEED on your next project, including preparation of the LEED documentation required from contractors.

### WEDNESDAY, OCTOBER 17

Billy Frank Conference Center, Ecotrust  
721 NW 9th Avenue  
Portland, Oregon

8:00 AM to noon workshop  
Registration begins at 7:30 AM  
Workshop earns 3 AIA HSW Credits

### TOPICS

At this training, you will:

- Understand why LEED is so important in the construction marketplace.
- Learn the 17 points in LEED that every contractor can influence.
- Understand the complete management process for constructing a LEED project from preconstruction through documentation.
- Practice planning and documenting key LEED credits.
- Master "difficult" points that present a challenge on LEED projects.

### COST

Member: \$150 by October 4  
\$200 after October 4  
Nonmember: \$175 by October 4  
\$225 after October 4

Continental breakfast provided.

Emerging Green Builder: please call 503-228-5533

Member pricing is for Cascadia members, employees and members of sponsoring organizations, or nonprofit organizations.

### INSTRUCTORS

Rob Fallow, Fortis Construction

James Jenkins, Project Associate of O'Brien and Company, LLC

### "BUILD IT LEED!" TOOLKIT

The Toolkit provides a complete step-by-step process of LEED project management from pre-construction through documentation including checklists for each phase, prepared forms for working with subcontractors and tools for preparing LEED documentation. The Toolkit also includes blank forms and tools on CD, ready to put to work on your next LEED project. Separately priced with discount for workshop attendees!
