

SUCCEED AT LEED®

Succeed at LEED is an advanced LEED-NC process workshop. In this workshop, participants learn how to manage the LEED-NC program for projects, from first client meeting to final certification. While other LEED trainings and workshops look at the nuances and details of specific LEED credits and prerequisites, Succeed at LEED focuses primarily on the LEED process.

THURSDAY, OCTOBER 18

Billy Frank Conference Center, Ecotrust
721 NW 9th Avenue
Portland, Oregon

8:30 AM to 5:00 PM workshop
Registration begins at 8:00 AM

7 AIA Continuing Education credits available.
