

# *Emerging Green Builders*

## integrating students and young professionals into the green building movement

**Date:** Tuesday, August 19th  
5:30-7:00

**Location:** Perkins+Will  
1221 Second Avenue, Suite 200, Seattle WA 98101

### **Phases of Sustainable Design: Case Studies from Schematic Design to Post Occupancy**

The case studies will be presented by Perkins+Will project teams committed to integrating ecological design from the conceptual diagram to the occupied environment. Perkins+Will Seattle is part of a 1,400 person international planning and architecture firm founded in 1935, with a focus on sustainable design.

#### **Schematic Design:**

University of Washington Husky Union Building, Seattle WA  
Designed to LEED Platinum

#### **Construction Documents:**

The Center for Urban Waters, Tacoma WA  
Designed to LEED Platinum

#### **Post Occupancy:**

Perkins+Will Office, Seattle WA  
Certified LEED Platinum

### **Who are the Emerging Green Builders (EGB)?**

The Emerging Green Builders is a USGBC program working to integrate students and young professionals into the green building movement.

### **Who can be an emerging green builder?**

Anyone interested in becoming more involved in green building from any discipline of study or practice is welcome to participate in EGB. Largely this group is comprised of students and young professionals, but EGB also incorporates seasoned professionals who are new to the green building industry. For the purposes of discounts and benefits, Emerging Green Builders is defined as any current college student or person within 5 years of graduation.

**No RSVP required ~ Free**

## EGB CONTACT

If you have any questions regarding this event, or suggestions for green building firms that would like to host an EGB event & present a collaborative project, please contact Seattle Branch EGB chair [Alicia Daniels Uhlig, NCARB \(auhlig@gglo.com\)](mailto:Alicia.Daniels.Uhlig.NCARB@gglo.com).

## CASCADIA CHAPTER

Cascadia is a chapter of the US Green Building Council (USGBC), the building industry's only balanced, nonprofit, consensus coalition promoting the understanding, development and accelerated implementation of "green building."

Cascadia serves its members by striving to fulfill the USGBC's mission, realize its vision, and accomplish its goals in the Pacific Northwest region.

### MISSION

Cascadia's Mission is to promote the design construction and operation of buildings in Oregon, Washington, Alaska and British Columbia that are environmentally responsible, profitable and healthy places to live, work and learn.

### BECOME AN INDIVIDUAL MEMBER OF CASCADIA TODAY AT:

<http://www.cascadiagbc.org/membership> \*reduced rates for Emerging Green Builders

### CASCADIA CHAPTER BRANCHES

To overcome potential challenges associated with serving such a broad region, Cascadia Chapter Branches have been established to provide networking and continuing education opportunities for members and industry professionals in their immediate marketplace. Regularly scheduled meetings within each Branch will provide access to green building research and emerging issues that are pertinent to our region and locale. Currently, Branches are active in Portland, Eugene, **Seattle**, Spokane, Tacoma/Olympia, Thompson/Okanagan, Bellingham, Alaska, Victoria and Vancouver, British Columbia.

**EGB programming is made possible thanks to the generosity of our hosts and Friends of Cascadia. For a list of the Cascadia Friends and information on the benefits of becoming a Friend, please visit:**
