Afternoon Event

4:30 pm – 6:00 pm

Introduction and Update on Living Buildings

Jason F. McLennan, CEO Cascadia Region Green Building Council

CIRS: The Centre for Interactive Research on Sustainability

John Robinson, Professor, Institute for Resources, Environment & Sustainability, and the Department of Geography, UBC presents "CIRS – a living laboratory for sustainable building systems and technologies - a 'Living Building' Targeted Project."

Dr Robinson is a member of the Climate Action Team, responsible for setting BC's carbon emissions targets for 2016 and 2020. He is on the board of the Sustainable Cities Foundation, and has been the lead author on the last three reports of the Intergovernmental Panel on Climate Change.

LEED Canada Initiative

Ian A. Jarvis, President, Enerlife Consulting Inc
Past-Chair, Canada Green Building Council, presents "The LEED® Canada Initiative – The Next Generation of LEED® Canada"

Mr. Jarvis is a leader in the fields of energy efficiency, green buildings and sustainable communities; he was the founding chair of the CaGBC and from 1991 – 1999 he was CEO of ROSE Technology Group. He is a member of the National Advisory Council on Energy Efficiency and the LEED Canada Initiative Steering Committee.

St. Ann's Academy, Auditorium, 835 Humboldt Street; street parking only.
Cascadia Members: \$25.00 | Non-members: \$35.00 | Emerging Green Builders and Students: \$15.00
