

CASCADIA
REGION GREEN BUILDING COUNCIL

Portland Branch Event
Thursday, July 22, 2008
6:00 pm - 8:00 pm

Mint Dental - LEED CI Tour

Tour Leaders:

Project Architect
Paolo Design Group, Paul Scardina
Consultant:
Green Building Services, Elaine Aye

Location:

[1401 SE Morrison Street](#)
Space is limited, **RSVP Required**

Mint Dental Works will be the first LEED™-certified dental practice in the country - LEED-CI platinum certification. Through rigorous planning and careful construction, the team created a high-performance green facility that is a healthy, productive place to work; less costly to operate and maintain; and reduces our environmental footprint. Designed to safeguard the health of occupants and visitors, the new office includes measures that are beneficial to our patients, staff and community.

CASCADIA - The Cascadia Region Green Building Council promotes the design, construction, and operation of buildings that are environmentally responsible, profitable, and healthy places to live and work in Oregon, Washington, and British Columbia. PORTLAND BRANCH - Portland is one of nine branches currently established in the Cascadia Region. We are forming partnerships, creating education opportunities, and providing a network of building professionals in the Northwest. For further information and how you can get involved, please visit our website at www.Cascadiagbc.org or contact Bonnie Bruce and Tom Archer at Portland@cascadiagbc.org.
