CASCADIA

Cascadia is a chapter of the US Green Building Council (USGBC), the building industry's only balanced, nonprofit, consensus coalition promoting the understanding, development and accelerated implementation of "green building." Cascadia serves its members by striving to fulfill the USGBC's mission, realize its vision, and accomplish its goals in the Pacific Northwest region.

CASCADIA MISSION

Promote the design, construction and operation of buildings that are environmentally responsible, profitable and healthy places to live and work, in Oregon, Washington and British Columbia.

BRANCH MISSION

"Through education and outreach opportunities, the Tacoma/Olympia Branch of the USGBC Cascadia Chapter exists to promote greater awareness of sustainable building strategies, centered on integrated design and the LEED Rating System."

BRANCH GOALS

1. Conduct Branch meetings, presentations, and educational seminars.
2. Promote local/regional design/construction industry members.
3. Promote local/regional government agencies.
4. Raise general awareness of sustainability.

Join Cascadia or only register for the newsletter. Membership provides resource and networking benefits.
