BUILD IT LEED® FOR CONTRACTORS

The Cascadia Region Green Building Council presents a complete, step-by-step process for managing the construction of Leadership in Energy and Environmental Design (LEED) Rating System projects from preconstruction to documentation. Designed for construction managers, general contractors, subcontractors, construction companies, and builders, this training will get you and your company ready to implement LEED on your next project, including preparation of the LEED documentation required from contractors.

AT THIS TRAINING YOU WILL:

- Understand why LEED is such a big deal in the construction marketplace.
- Learn the 17 points in the LEED system that every contractor should know.
- Understand the complete management process for constructing a LEED project from preconstruction through documentation.
- Practice planning and documenting key LEED Credit items.
- Master “difficult” points that present a challenge on LEED projects.

FRIDAY, APRIL 17 | 9:00 AM TO 1:00 PM

(Check-in at 8:30 AM)

Bellevue City Hall

Bellevue City Hall, 4501 110th Ave NW, Room 1E-112

Bellevue, WA 98009

To register, visit <http://bilcontractorsbellevue1.eventbrite.com/>

**Buy the “BUILD IT LEED!” TOOLKIT at a discounted price
(workshop attendees only)**

The Toolkit provides a complete step-by-step process of LEED project management from pre-construction through documentation including checklists for each phase, prepared forms for working with subcontractors and tools for preparing LEED documentation. The Toolkit also includes blank forms and tools on CD, ready to put to work on your next LEED project. Separately priced with discount for workshop attendees!

Workshop attendees: \$325 Regular price: \$399 member / \$419 nonmember
