

# Expand your green building knowledge! Emerging Green Builders Victoria presents...

An evening of Q&A with Allison Ashcroft, Founder of

Join us to learn more about the business of green building! We will have the opportunity to hear about vivo, a provider of integrated sustainability solutions for the built environment and a hunter-gatherer and supplier of green building materials and products. They offer sustainable solutions for energy and water efficiency, and strive to create and restore healthy, high performing, eco-efficient, durable buildings.

We invite you to help us kick off our 2009 meetings!  
Come out to learn where we are going and how you can get involved!
