by July 6

TACOMA/OLYMPIA BRANCH MEETING

Tour of Pacific Plaza & Summer Social

Join us for a tour of Pacific Plaza, which is nearing completion and will be Tacoma's first LEED Platinum building. The project will help revitalize Tacoma's downtown by transforming a concrete parking structure built in the 1970's into a mixed-use facility by adding two floors of Class A office and retail on the street level. Major green features include a 30,000 sf green roof, rainwater harvesting and a highly efficient city-multi HVAC system.

After the tour, we'll walk to Varsity Grill for a social gathering. BLRB Architects will provide appetizers, and beverages will be no-host.
