

CASCADIA
REGION GREEN BUILDING COUNCIL

Come start your 4th of July weekend off in style!

Cascadia Region Green Building Council invites you to a very special "MeetUp" at our Seattle office. Of course, there will be good people, food and beverages. But this time we'll also have live music! Several concert violinists will play some of the painted violins that are hanging in our space. Artist Sarah Waller, the painter of said violins, will also be in attendance. Should be a fun party! Afterwards, we'll encourage guests to sally forth for Pioneer Square's famous First Thursday Art Walk. Enjoy fellowship and tasty treats, then explore the local art scene.
