Emerging Green Builders

integrating students and emerging professionals into the green building movement

Date: Tuesday, June 16th
5:30-6:30

Location: Turner Construction
830 4th Ave. South, Suite 400
Seattle, WA 98134

Collaborative Design from the Contractor's Perspective Presented by Turner's Green Task Force

Please join the Turner team in their LEED Gold office renovation to learn more about BIM and collaboration.

Short presentation followed by networking
Refreshments & appetizers provided

This consolidated model snapshot shows site utilities, structure, crane erection phasing and more. Colors note which steel delivery should be erected by which crane, helping save time and reduce errors.

Who are the Emerging Green Builders (EGB)?

The Emerging Green Builders is a USGBC program working to integrate students and emerging professionals into the green building movement.

Who can be an emerging green builder?

Anyone interested in becoming more involved in green building from any discipline of study or practice is welcome to participate in EGB. Largely this group is comprised of students and emerging professionals involved in the green building movement. For the purposes of discounts and benefits, Emerging Green Builders is defined as any current full-time college student, person within 5 years of graduation, or individuals under the age of 30 (regardless of education/career status).

No RSVP required ~ Free

EGB CONTACT

If you have any questions about this event, or suggestions for green building firms that would like to host an EGB event & present a collaborative project, please contact Seattle Branch EGB Co-Chairs Alicia Daniels Uhlig, NCARB (auhlig@gglo.com) or Holly Gardner (hgardner@theschustergroup.com)

*June 16th
Last Meeting Before
Summer Break*

*Leading green building firms of Seattle present their own work to the next generation of ecological designers.
3rd Tuesday Every Month; 5:30 – 6:30 pm*

Location Varies – see Cascadia Calendar www.cascadiagbc.org/calendar

CASCADIA CHAPTER

Cascadia is a chapter of the US Green Building Council (USGBC), the building industry's only balanced, nonprofit, consensus coalition promoting the understanding, development and accelerated implementation of "green building."

Cascadia serves its members by striving to fulfill the USGBC's mission, realize its vision, and accomplish its goals in the Pacific Northwest region.

MISSION

Cascadia's Mission is to promote the design construction and operation of buildings in Oregon, Washington, Alaska and British Columbia that are environmentally responsible, profitable and healthy places to live, work and learn.

BECOME AN INDIVIDUAL MEMBER OF CASCADIA TODAY AT:

<http://www.cascadiagbc.org/membership> *reduced rates for Emerging Green Builders

CASCADIA CHAPTER BRANCHES

To overcome potential challenges associated with serving such a broad region, Cascadia Chapter Branches have been established to provide networking and continuing education opportunities for members and industry professionals in their immediate marketplace. Regularly scheduled meetings within each Branch will provide access to green building research and emerging issues that are pertinent to our region and locale. Currently, Branches are active in Portland, Eugene, **Seattle**, Spokane, Tacoma/Olympia, Thompson/Okanagan, Bellingham, Alaska, Victoria and Vancouver, British Columbia.

EGB programming is made possible thanks to the generosity of our hosts and Friends of Cascadia. For a list of the Cascadia Friends and information on the benefits of becoming a Friend, please visit: www.cascadiagbc.org/sponsorship
