LEED-NC V2.2 AP EXAM TRAINING

Gain the qualification to help design teams achieve LEED-NC certification on a variety of building projects.

The workshop will target key information necessary to pass the LEED-NC v2.2 AP exam, including:

- Credit intent & requirements
- Project team coordination
- LEED process & implementation
- Technical analysis
- Credit synergies & integrated design
- Overview of the exam structure
- Test-taking advice

Participants will be provided with a comprehensive Study Guide Workbook, a 30-question in-class practice exam and an 80-question take-home practice exam. Previous knowledge of the rating system is necessary.

FRIDAY, MAY 22 | 8:30 AM TO 5:00 PM

David Evans and Associates, 2100 SW River Parkway, Portland
Breakfast and lunch will be served. Check-in begins at 8:00 AM
To register, visit <http://leedapexamprep09.eventbrite.com/> or click the leaf.
