

Emerging Green Builders integrating students and emerging professionals into the green building movement

Date: Tuesday, May 19th
5:30-6:30

Location: Bang Office Interiors
2125 Western Ave, Suite 488
Seattle, WA 98121

**Mike Iannone, A&D Representative
DIRTT**

**Carolyn Barnes, Account Executive
Bang Office Interiors**

DIRTT '*Doing It Right This Time*'; refers to creating responsive, sustainable and unique workspaces through DIRTT's *Agile Architectural Solutions*. They virtually eliminate construction waste and any future renovation waste – no demolition, dumping, procuring and re-building. We will be discussing the opportunities, advantages, and strategies for incorporating this product into various types of green design.

Who are the Emerging Green Builders (EGB)?

The Emerging Green Builders is a USGBC program working to integrate students and emerging professionals into the green building movement.

Who can be an emerging green builder?

Anyone interested in becoming more involved in green building from any discipline of study or practice is welcome to participate in EGB. Largely this group is comprised of students and emerging professionals involved in the green building movement. For the purposes of discounts and benefits, Emerging Green Builders is defined as any current full-time college student, person within 5 years of graduation, or individuals under the age of 30 (regardless of education/career status).

No RSVP required ~ Free

CASCADIA CHAPTER

Cascadia is a chapter of the US Green Building Council (USGBC), the building industry's only balanced, nonprofit, consensus coalition promoting the understanding, development and accelerated implementation of "green building."

Cascadia serves its members by striving to fulfill the USGBC's mission, realize its vision, and accomplish its goals in the Pacific Northwest region.

MISSION

Cascadia's Mission is to promote the design construction and operation of buildings in Oregon, Washington, Alaska and British Columbia that are environmentally responsible, profitable and healthy places to live, work and learn.

CASCADIA CHAPTER BRANCHES

To overcome potential challenges associated with serving such a broad region, Cascadia Chapter Branches have been established to provide networking and continuing education opportunities for members and industry professionals in their immediate marketplace. Regularly scheduled meetings within each Branch will provide access to green building research and emerging issues that are pertinent to our region and locale. Currently, Branches are active in Portland, Eugene, **Seattle**, Spokane, Tacoma/Olympia, Thompson/Okanagan, Bellingham, Alaska, Victoria and Vancouver, British Columbia.

EGB programming is made possible thanks to the generosity of our hosts and Friends of Cascadia. For a list of the Cascadia Friends and information on the benefits of becoming a Friend, please visit: www.cascadiagbc.org/sponsorship
