

The Portland BLA presents
The 1st Annual

BLA MISSION:
To improve the vitality of local forests and related human communities by connecting local, responsibly grown and processed wood with local projects.

Good Wood Tour

Saturday, Oct. 24th 9 am–3:30 pm @ Zena Forest, Rickreall, OR

WHAT does it mean to practice responsible forestry in Oregon?
HOW does buying local, sustainable wood impact environment & economy?
WHY should you ask for local or FSC certified wood?
WHO is responsible for getting local sustainable wood into local buildings?

THE GOOD WOOD TOUR, presented by the non-profit Build Local Alliance, is a unique opportunity for consumers, local builders, architects and suppliers to explore a sustainably managed forest in Western Oregon **and** an adjoining custom sawmilling operation and speak directly with their owners.

THE EXPERIENCE includes a walk in a FSC certified forest and a sawmill demonstration. You will hear from industry experts about the costs and benefits of local sustainable forestry and the management of FSC forest and chain-of-custody certification.

DETAILS Meet @ Portland Ecohaus store (**819 SE Taylor St.**) for coffee at 8:30 am. Depart at 9 am on 1.5 hour trip to Zena Woods near Rickreall, OR. Return to Portland by 3:30
