

CaGBC LEED Documentation Workshop

DATE	Thursday, October 28 th , 2010
DESCRIPTION	<p>This one day interactive workshop addresses the LEED certification process and the tools in place to assist applicants in seeking CaGBC LEED project certification for New Construction. This workshop addresses a number of the more complex documentation requirements for the LEED NC 1.0 + addendum and the following application guides:</p> <ul style="list-style-type: none">• Multi-Unit Residential Buildings (MURB)• Campus and Multiple Buildings (CMB)• Core and Shell (CS) <p>Due to time constraints, not all documentation requirements will be discussed in detail.</p> <p>Please note that this workshop does not address the NC 2009 documentation process.</p> <p>*Any CaGBC workshop will meet eligibility requirements for the Green Associate exam.</p>
TARGET AUDIENCE	The target audience for this workshop will be individuals and organizations seeking CaGBC LEED certification for their projects under the NC 1.0 Rating System and Addendum. More specifically, this workshop is focused on those individuals who will be coordinating and submitting certification applications.
WORKSHOP OBJECTIVES	<ul style="list-style-type: none">• Determine how to systematically approach and complete the LEED certification process• Utilize the LEED letter templates to enhance a LEED certification application• Identify what to include and what not to include in a LEED first submission• Identify common mistakes made in LEED submissions• Improve the overall quality of LEED certification submissions• Describe the CaGBC's process for reviewing completed applications
