

Cascadia Membership and Passport FAQs

How is Cascadia Membership different from USGBC/CAGBC membership?

Membership with the US Green Building Council and the Canada Green Building Council are company/organization based. Your company may join the USGBC/CAGBC however individuals join the local Cascadia chapter. Employees of USGBC and CAGBC member companies receive a discount on Cascadia membership however this discount does not extend to Cascadia programs and events.

I'm a member of Cascadia, does that mean that my company is a member?

Individual membership with Cascadia does not bestow membership to the individual's organization. However, companies interested in supporting Cascadia can do so through our Friends of Cascadia sponsorship program. For more information on becoming a Friend of Cascadia please visit the following link! <http://www.cascadiagbc.org/sponsorship>

What are the Cascadia membership cycles?

Cascadia has two membership cycles that align with our Friends of Cascadia fundraising cycles. These cycles are Jan 1st to December 31st and Jul 1st to Jun 30th. Any person that joins Cascadia from Oct 1st to Feb 28th is added to the Jan-Dec cycle. Any person that joins from Mar 1st- Sep 30th is added to the Jul-Jun cycle.

How do I renew my membership?

You can renew your Cascadia membership from the following link <http://www.cascadiagbc.org/membership>. This is the same system that you would use to join as a new member. However once you have filled in all of the required registration information please check "Yes" on the membership renewal box.
