BEST WESTERN COQUITLAM INN

COQUITLAM ROOM

319 NORTH ROAD, COQUITLAM

INSTRUCTOR: RICHARD KADULSKI

MEMBERS ONLY : \$350 + GST

In today's housing market, home buyers are demanding healthier and more environmentally appropriate housing. Meet this growing market demand and learn about the proven energy efficiency and environmentally sound construction of BuiltGreen™, including:

- Cost-effective ventilation solutions;
- The secrets to preventing condensation and moisture movement;
- Advanced framing techniques that save money; and
- New options in air-barrier materials and methods.

This course is one of the modules of the Certified Residential Builder/Residential Housing Professional certification and is compulsory to become a licensed BuiltGreen™ & R-2000 builder.

For attendees who do not wish to pursue the designations but want to learn about BuiltGreen™, this is an excellent cost-effective way to learn from one of the best instructors in the industry.
